

# Visit Høyanger

Surrounded by massive mountains, the cozy village of Høyanger is a boulder stone and benchmark in the great Norwegian industrial history.

## Highlights:

- Visit the Industrial Museum and learn more about the history of Høyanger.
- The Gunnar S. Gundersen art gallery with around 30 works by this local artist.
- City walk Høyanger; this digital historical city tour takes about one hour and covers a distance of 3 kilometers.
- Høyanger indoor swimming pool with a 56-metre long slide, two diving towers, hot tub, a splash pool with slide for the little ones. A sauna and a café. Open all year.
- The small ski center Siplo got the steepest slopes in Europe.
