

Huldefossen & Sunnfjord Museum

Huldefossen is one the most photographed waterfalls in Fjord Norway. The waterfall has about 90 meter long fall.

- At Mo, by E39, about 10 km from Førde.
- There are signs into the parking.
- It is about 500 meters to walk across a wooden bridge and up along the river.

Sunnfjord Museum, the open-air museum displays cultural heritage and everyday life from the inner Sunnfjord villages. You can experience a traditional smallholding, a homestead and a mountain farm.

- Total of 32 historical buildings.
- Indoor cultural heritage exhibitions.
- In the forest surrounding the museum you will find educational hiking trails.
